**PRESIDENTIAL CANDIDATE**

In his vision for Kenya, Raila stated that he would encourage the Kenyan Diaspora to invest in Kenya and take an interest in playing an active political role at home and abroad. This is an opportunity for us to support the vision.

This campaign is about change in Kenya and Raila is the undisputable agent of change. Come and support Raila so that he can build a bridge to the Kenyan dream. The dream starts with you. Contribute to the dream by attending this event.
